Grills are one of the most essential components of our professional charcoal barbecues. Each of these pieces represents the main essence of Fesfoc modern outdoor kitchens. For this reason, they are manufactured and treated in a very careful, delicate way to provide extreme power and large cooking capacity.

We present you 2 innovative, revolutionary charcoal grills, designed for our luxury charcoal barbecues: Elegance and Luxury. They will offer you endless possibilities, when grilling.

Molten steel grills Elegance are intuitive from minute one and are very easy to use. They have the perfect thickness to maximize the temperature of the coal. Elegance charcoal grills have been created to enhance the taste of food, while retaining all its nutrients.

Luxury stainless steel grills represent luxury at its best. Manufactured with high precision technology and finished by our master craftsmen of steel with 9 layers of polishing. With these coal grills you will have massive power that will allow you to cook your favorite recipes on another level.

Las parrillas constituyen uno de los componentes esenciales de una barbacoa. Por este motivo, han de ser fabricadas y tratadas de manera cuidadosa y delicada para proporcionar potencia y una gran capacidad de cocción.

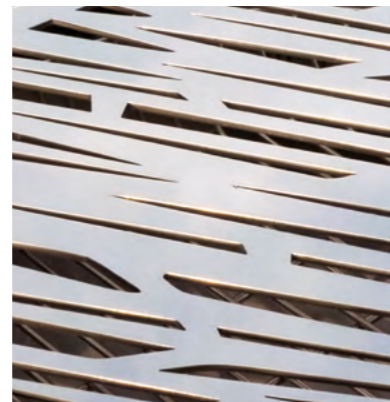

Nuestras cocinas exteriores con barbacoa profesional de carbón te ofrecen dos revolucionarias parrillas, que te brindarán infinitas posibilidades a la hora de cocinar: Elegance y Luxury.

Las parrillas en acero fundido Elegance son intuitivas desde el minuto uno y resultan muy fáciles de usar. Tienen un gran espesor para concentrar al máximo la temperatura del carbón. Estas parrillas modernas están diseñadas para amplificar el sabor de los alimentos, conservando todos sus nutrientes.

Las parrillas de acero inoxidable Luxury representan el lujo en su máximo exponente. Fabricadas con tecnología de alta precisión y acabadas por nuestros maestros artesanos del acero con 9 capas de pulido. Te ofrecen una potencia bestial que te permitirá cocinar rápidamente tus platos favoritos a otro nivel.

AKAN

FESFOC has reinvented the concept of design barbecue. Unbeatable performance and extreme power are combined to create the most resistant, high-end BBQ structure.

Akan has been conceived to highlight the pure, minimalist lines of FESFOC's charcoal grill. Inspired by the metal structures of the most modern buildings, extreme resistance and an unprecedented buoyancy effect are achieved on this great piece of design.

FESFOC ha reinventado el concepto de barbacoa de diseño. Rendimiento inmejorable y potencia extrema se combinan para crear la barbacoa de carbón más resistente.

Akan ha sido concebida para resaltar las líneas puras y minimalistas de las parrillas de carbón FESFOC. Inspirado en las estructuras metálicas de los edificios más modernos, Akan ofrece resistencia extrema y un efecto de flotabilidad sin precedentes.
